

WEEK 3

ACTIONS

Last week we learned about how we can worship. Can you remind me of some of the ways we talked about? (wait for response) That's right, great answers. We can worship by dancing, singing, talking, praying, just by thinking about God, and so much more. Now that you know how to worship, it is time to put all of those things into action. God is omnipresent. Do you know what that means? (wait for a response) It means God is with us all the time, everywhere, and in everything. Since He is always around, we can always worship Him, and He can see our actions through our worship. What are some ways that God can see our actions through worship? (wait for response...some ideas can be dancing, caring for others, telling others about Jesus) Those are great answers! Now come up with a few more as a family. There are times when we can feel God around us. He might be encouraging us, showing us a way to help someone, telling us to share His Word, the Bible, with someone, and you might even feel Him give you a hug. Take time each day to feel and listen for God's presence. When you feel His presence, take action, don't wait or be afraid of what God is telling you, because His way is perfect!

DIG DEEP

What did you do today to worship God?

DIG DEEPER

What is something God told you to do, but maybe you didn't listen because you were afraid?

WEEK 4

WORSHIPING GOD AS A PRIORITY

Chances are you made a Christmas list last month, right? (wait for response) You may have even put the one thing you really wanted at the top of the list, and then the other things that weren't as important toward the bottom of the list. When you make a list from most important things to not as important, it is called knowing your priorities. True worship is considered to be the priority we place on who God is in our lives and where God is on our list of priorities. Let's think about a list of important things you do every day, what is at the top? (wait for responses) Did any of you place God at the top of that list? Is He first in your life? (wait for response). If the way you live, does not show love for God, and you do not live in a way God asks, then we invite you to make worship a priority in your life. God places worship at the top. He always sent out musicians first in battle to cover everything with praise. Praise and worship was a weapon. (Pause and listen to the song for this week's lesson, you will find it by scanning the QR code in your box). We worship God because He IS God. It is as simple as that. Our love and obedience to God, comes from God first loving us. Take out your Bible and turn to 1 John 4:19 (read it aloud). We are at the top of God's list, every single day and God only wants what is best for us. It is time we put Him at the top of our list too. When we do, our lives will change forever.

DIG DEEP

What is something that is really important to you?

DIG DEEPER

What is one way you can start to make God a priority in your life?
